Annwyl Rieni/Gwarchodwyr,
Dear Parents and Carers,

I would like to welcome back all our children from last year and extend a warm welcome to our new year 3 children and new starters elsewhere throughout the school. It is clear this year that parents and carers have made a fantastic effort to ensure that pupils come to school in smart school uniform and ready for all weather conditions; thank you for this.

Educational Visits

Following a review of provision last year, it was determined that each child would have the opportunity to enhance their learning, by attending school trips on a regular basis, with a particular effort being made to arrange trips earlier on in the term/half term. Please help us by ensuring permission slips are completed on time and that your child has and is aware of the items they need to take on a trip, such as appropriate clothing, asthma pumps, etc. We have run trips to Big Pit, Gwili Railway and Llancaich Fawr already this year, with year 3 off to Caerleon shortly. The feedback from these trips has been really positive.

Allergy matter

Just to reiterate that one of our year 4 pupils develops a potentially fatal reaction when exposed to tuna; this isn't only through touch but can be airborne also. Please could you support us by refraining from providing your child with tuna in their lunch box. I do apologise for this inconvenience and I thought long and hard before making this request last year, however given the extremity of the situation, your help in this matter would be greatly appreciated. Other controls are in place to support this child and should we feel it necessary to share these with you in the future, then we will of course do so.

After School Clubs

After school clubs have started in earnest and parents in each year group have been emailed details of clubs relevant to their children. A reminder that, although permission slips for every club must be completed, this does not mean children have to attend that club every week. Clubs are voluntarily run by individual staff members; if a child does not come to a club, their absence is not pursued, as to do so would render clubs impractical to run. When determining whether to allow your child to walk home, please be mindful that the nights are drawing in and that the roads around us can be very busy. If your child is to be collected, please ensure that you arrive in good time to school, at 4.15pm.
