Annwyl Rieni/Gwarchodwyr,
Dear Parents and Carers,

Year 6 Parents

Bryntirion Comprehensive School are undertaking a full review of their pupils' school uniform. Please therefore, refrain from buying your child a uniform until the outcome of this review has been communicated.

General update

We are well into the summer term and hopefully looking forward to the weather improving, allowing us to use the full scope of the facilities at our school. We have just undertaken the national tests for 'reasoning' and 'reading'. There was no national test for mathematical processes and procedures as Welsh Government decided that children would be assessed via online 'Personalised Assessments'. Next year only 'reasoning' will be assessed via national testing and the following year there will be no national tests, as such.

Transition

The summer term is, of course, when we begin to prepare for the changes that inevitably happen in the September. We are so lucky to be a part of the Bryntirion Comprehensive School cluster, where there are lots of opportunities for our year 6 pupils to visit and familiarise themselves with their school to be. On July 1st we have our cluster transition day, when year 6 pupils go to BCS for the day; all our other pupils spend the day with their prospective class teachers for 2019/20 and we welcome our new starters from feeder schools for the day. If you have any concerns or worries over transition, please contact the school.
