**Annwyl Rieni/Gwarchodwyr,
Dear Parents and Carers,**

It was noted by various of our governors this week how smart the children in our school look at the moment – the same observation was made recently by visitors to our school – may I say a big thank you to all our parents who ensure that our pupils arrive in good time, in smart uniform and have the right gear/equipment for the day – it makes such a difference. Many thanks also to all those parents who came to the McMillan Coffee Morning organised by our Parent Council. It was a lovely morning which contributed well towards a very worthy cause.

Good to be Green

Our Behaviour Approach through 'Good to be Green' is now up and running. This was introduced very successfully last year and focuses on the positives of pupil behaviour. Essentially all children should receive a text home from their class teacher every Friday if their behaviour throughout the week has been 'Green' (Good).

Should you have any concerns about the approach or other similar matters there will be ample opportunity to discuss these during Parents' Evenings'/Open Evenings during the week commencing 16th October (details from class teachers to follow shortly – some year groups will be hosting an 'Open Evening' while other year groups will have time slots for parents – hopefully this will bring more flexibility for parents with more than one child in our school).

Tuck Shop

During first break on Tuesday to Thursday we run a healthy tuck shop (fruit) at a cost of 20p per item.

Class Assembly

Last Friday, J10 entertained us with the first of our class assemblies this academic year and J7 followed up with a wonderful assembly today. A big thank you to all parents, grandparents and guardians who attended. This half term J6 and J3 will also be holding class assemblies.

School Calendar

The dates for the diary until Christmas (as much as we have them) are on the school website calendar.

Clubs

If your child attends a club, please make sure you have informed the staff member running the club as to whether your child will walk home or be collected. If your child is to be collected please ensure that you arrive in good time.

Although permission slips for every club must be completed, this does not mean children have to attend that club every week. Clubs are voluntarily run by individual staff members; if a child does not come to a club, their absence is not pursued as to do so would render clubs impractical to run. For instance football club on a Tuesday has a very large and changeable list of attendees - historically we have come to recognise that some children may only ever attend the first couple of sessions - to ascertain the whereabouts of every child that had a completed permission slip for football may delay the start of the club to such an extent it may not be feasible to run this club.
