Dear Mickey Dixon

## **Llangewydd Junior School**

### **Schools requiring Estyn review following Section 28 inspection**

As you know, we recently worked with Bridgend County Borough Council to review the progress the school has made since the core inspection.

### **Outcome of the review**

Llangewydd Junior School is judged to have made appropriate progress in respect of the key issues for action, and in developing the capacity to continue to bring about improvements. We will now remove the school from the list of schools requiring Estyn review. There will be no further monitoring activity in relation to this inspection.

A letter confirming the outcome of the review will be published on our website on 09/05/2025. We share this information with you in confidence. You will be aware that until the letter is published, any information about Estyn's decisions should remain confidential to the school.

I am copying this letter to Krista Green, the headteacher, to Mr Lindsay Harvey, the Corporate Director - Education and Family Support for Bridgend County Borough Council.
