

## Pupil Voice Forum

Pupil voice forum consists of one year 5/6 pupil from each committee. These pupils meet regularly to feedback what their committee has been discussing, working on and targets to improve our school. We then create an action plan with these targets which each committee strives to achieve. Over the past year we have worked hard to get pupil opinions on what library they would like and what a fantastic well-used library we now have! Using committee suggestions a stage area was created in the main yard as well as a quieter games yard for those who prefer a quiet break time. This year we would like to help the committees to encourage more Welsh to be spoken in school, create a buddy stop for pupils who feel alone at break time, introduce a timetable for use of the Play Pod and to continue encouraging parents to use digital platforms such as Twitter and Google Classroom. We love working together to continuously improve
