

## Absence on Medical Grounds

Date	Review Date	Coordinator	Nominated Governor
December 2021	December 2024	Neil Clode	Mary Wilson

We are aware that Section 19 of the Education Act 1996 states that, 'Each LEA shall make arrangements for the provision of suitable education or otherwise than at school for those children of compulsory school age who by reason of illness, exclusion from school or otherwise, may not for any period receive suitable education unless arrangements are made for them'.

We have a duty to provide educational support for pupils who are absent from school on medical grounds and as far as their medical condition allows.

We wish to work closely with the Pupil Voice Committee and to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.
