Date	Review Date	Coordinator
Sept 2024	Sept 2027	Mrs K Green

Statement of Intent

We are committed to providing a caring, friendly and safe environment for all of our pupils so they can learn in a relaxed and secure atmosphere. Bullying of any kind is unacceptable at our school. If bullying does occur, all pupils should be able to tell and know that incidents will be dealt with promptly and effectively. We are a *TELLING* school. This means that *anyone* who knows that bullying is happening is expected to tell the staff.

Article 3
The best interests
of the child must
be a top priority.

Llangewydd Junior School acknowledges the School Standards and Framework Act 1998 that clearly states that all maintained schools must have in place an Anti-Bullying Policy that outlines procedures in order to prevent bullying among pupils.

We have a duty of care to protect pupils from bullying as part of our responsibility to provide a safe, secure, caring and friendly school environment for all the children in order to protect them from those who wish to deliberately hurt them either physically or emotionally. We believe all our safeguarding procedures are in line with Sections 3(5) and 87(1) of the Children Act 1989 and Section 157 of the Education Act 2002 and that we promote the welfare of all children in our care.

Under no circumstances will we tolerate any form of bullying and all incidents of bullying will be dealt with promptly and effectively.

We wish to work closely with the Pupil Voice Committee to hear their views and opinions as we acknowledge and support Article 12 of the United Nations Convention on the Rights of the Child that children should be encouraged to form and to express their views.

Article 12
Every child has the right
to express their views,
feelings and wishes.

What Is Bullying?

Bullying is the use of aggression with the intention of hurting another person. Bullying results in pain and distress to the victim.

Bullying can be:

- Emotional being unfriendly, excluding, tormenting (e.g. hiding books, threatening gestures)
- Physical pushing, kicking, hitting, punching or any use of violence
- Racist racial taunts, graffiti, gestures
- Sexual unwanted physical contact or sexually abusive comments
- Homophobic because of, or focussing on the issue of sexuality
- Verbal name-calling, sarcasm, spreading rumours, teasing
- Cyber All areas of internet ,such as email & internet chat room misuse
Mobile threats by messaging, calls or online gaming
Misuse of associated technology , i.e. camera & video facilities

Article 14
Every child has the right to
think and believe what they
choose and practise their
religion.

Bullying can be defined as overt or subtle intimidation of an individual, or group, with the wilful or subconscious intention to hurt, threaten or frighten.

Bullying affects everyone: not just the bullies and the victims. It also affects those other children who may witness violence and aggression and the distress of the victim. It may damage the atmosphere of a class and even the climate of the school. What is more, less aggressive pupils can be drawn into the taunting and tormenting of victims by group pressure and psychological factors.

Schools have a responsibility to create a secure and safe environment for pupils who are in their care so that parents may send their children to school in the confident knowledge that they will be protected from bullies.

The single most important thing our school can do to prevent bullying is to have a clear policy which staff, pupils, and parents are committed to. School can only address bullying issues if we know about it.

Why is it Important to Respond to Bullying?

Bullying hurts. No one deserves to be a victim of bullying. Everybody has the right to be treated with respect. Pupils who are bullying need to learn different ways of behaving.

We have a responsibility to respond promptly and effectively to issues of bullying.

Objectives of this Policy

- All governors, teaching and non-teaching staff, pupils and parents should have an understanding of what bullying is.

- All governors and teaching and non-teaching staff should know what the school policy is on bullying, and follow it when bullying is reported.
- All pupils and parents should know what the school policy is on bullying, and what they should do if bullying arises.
- As a school we take bullying seriously.
- Bullying will not be tolerated.

Article 19
Every child has the right to
protection from violence,
abuse and neglect.
