

Someone in your household has COVID symptoms or has tested positive for COVID

You are a
child under 5

You do not need to
have a test,
or self-isolate.

You are over 18 and
fully vaccinated

You should self-isolate
and take a PCR test.
Self-isolate until the result.
If the result is negative,
you can stop isolating.
If the result is positive,
you must self-isolate
for 10 days.

You are
aged 5 - 17

You should self-isolate
and take a PCR test.
Self-isolate until the result.
If the result is negative,
you can stop isolating.
If the result is positive,
you must self-isolate
for 10 days.

You are over 18 and
not fully vaccinated

Self-isolate immediately
for 10 days.
You should take
a PCR test on day 2,
and again on day 8.
