Monday 12<sup>th</sup> September 2022

Annwyl Rieni/Gwarchodwyr,  
Dear Parents/Carers

Welcome back. It was lovely to see all our pupils return to school last week and to also welcome our new additions from other schools. Many staff have commented upon how smart our pupils look and I must say a big thank you to parents for this. As a school community we were so very sorry to learn of the passing of the Queen. All teachers have met with their (leadership) team to discuss the matter, the potential impact on pupils and the way that each class can best manage this difficult time. Our school flags will remain at half-mast until the period of mourning has ended. Our school (along with all other schools in Bridgend) will be closed to all pupils and staff next Monday, September 19<sup>th</sup>. **(PLEASE NOTE THAT, AS HAS BEEN OUR APPROACH FOR SEVERAL YEARS, FUTURE NEWSLETTERS WILL NOT BE PRINTED, ONLY EMAILED).**

### School Photos

These will be held at school on Friday 16<sup>th</sup> Sept.

### Communications

There is a tremendous amount of work to be done to get our systems 'up-and-running' at the start of the academic year. As of today, we have validated the information provided by feeder schools, parents and guardians therefore our text messaging system to parents is now up-and-running.

### Access

Thank you so much for all of the support you have shown around our arrangements for access at the start and end of the school day. Only by having three designated entrances and by having a slight 'stagger' to the start and end times of year 3 can we lessen the safeguarding issues that formerly arose prior to these arrangements. Some transitory arrangements are in place, with a very few siblings in years 4 and 6, but we hope that by the end of next week these will no longer be needed. We have, however, had a complaint from several of our neighbours, stating that parents are blocking the driveways of their homes when collecting and dropping off – please park courteously, drive slowly and respect the access needs of nearby homes.

### School Trips

Were you to browse the calendar on our website you would see the array of school trips organised for this half term. As we did last year, we hope to largely fund these trips but please recognise that this can only occur while we have the funds to do so. After half term, we may need to ask for contributions from parents, in order to make these trips viable.

### Behaviour System

Our whole school system is called 'Good-to-be-Green'. Each Friday (from this week) you should receive a text from the school to say that your child has behaved well during the week. If your child has had a red card during the week, his or her class teacher would have informed you of this (on the day it was issued) and provided you with details of events leading to the red card. If your child is 'on' a yellow card on a Friday, you will not receive a text.

### Awards

In school from this week we will be returning to our various award systems. These include (but are not limited to) 'Class Pupil of the Week', LEXIA (a reading intervention) Certificates and 'Tocyn Iaith' (Welsh awards). Information about these awards will be tweeted by your child's class teacher.
