

## Year 5 trip - Monday 6<sup>th</sup> February

### Investigating the features of a river.

We are looking forward to our trip on Monday where the children will be looking at the features of the River Ogmore, comparing them to those of the River Ganges. Below is a list of the clothing/equipment the children will need to experience a successful day:

#### Pupils' Kit List

As the children will be making models of river features that will involve collecting and carrying water as well as wet sand, **wellies or spare footwear and spare clothes are essential.**

The activities will take place outdoors and pupils need to be dressed appropriately.

- outdoor PE kit/comfortable for walking in.
- wellies /walking Shoes/trainers
- spare trainers for wearing home; spare socks
- a waterproof coat/waterproof trousers if you have them
- long hair tied back

The pupils will need to carry their belongings. **A rucksack is essential.** They will need to bring:

- a water bottle
- a packed lunch
- snacks
- **any personal medication e.g. asthma pump (please let teacher know)**
