## School News

### Attendance

Everyone last week was issued with the BCBC Callio Letter. As explained, we are very much aware that some children's attendance has been affected by illness or medical issues, these things cannot be helped and the school is always very supportive of these circumstances. The Callio letters will go out termly in line with other schools in our cluster.

### #AttendtoAcheive

To support attendance, we have purchased a Book Vending Machine. A selected pupil will be able to choose from the machine weekly if they have had 100% attendance, improved attendance/ punctuality or made a huge effort to attend school despite challenges.
