Dear parent/carer,

Recently it has been brought to our attention that there are issues occurring on many social platforms and with online gaming. The main platforms we are aware of where inappropriate content is being made accessible to children are listed below:

- Snapchat
- What's app
- Fortnite
- Facebook
- Instagram
- You Tube adverts

Please be mindful that if your children use any of the above, you should check regularly what content they are exploring and what is being sent to them by external sources. To find out more information on how to keep your child safe please visit the website below.

We have informed our PCSO of the issues and South Wales Police are going to provide some E-Safety sessions with our pupils in the coming weeks. These sessions will teach the children how to stay safe online and what to do if they experience inappropriate content. Please be aware that if you do come across any inappropriate content on your child's device, this should be reported to the police.

Thank you for your continued support.

Best wishes,
Mrs K. Green
