Dear Parent/Carer,

It has been brought to our attention by a number of parents/carers that there are issues happening on a 'Year 6 WhatsApp Chat Group'. There have been inappropriate comments, photos and videos shared that a child in Year 6 should not have access to. The staff in Year 6 have spoken to the children today to make them aware of the dangers of sharing such information and how serious this is.

Please be mindful that if your child uses Whats App, you should check regularly what content they are exploring, what they are sending and what is being sent to them by others. As a school we want all children to be safe when using online apps/games, however this is difficult to manage when the content is being shared outside of school.

To find out more information on how to keep your child safe please visit the website below.

I hope you can support the school on this matter.

Best wishes,
Mrs K. Green
