Dear Parents/Carers

### Family Learning for Years 6

We would like to begin a new Family Learning Programme for Year 6 parents/guardians. The Family Learning Programme will commence on Wednesday April 24th and will take place every Wednesday for 5 weeks from 2pm to 3.25pm. Course dates - April 24<sup>th</sup>, May 1<sup>st</sup>, 8<sup>th</sup>, 15<sup>th</sup>, 22<sup>nd</sup> you will need to attend as many as possible.

We understand that your time is valuable, but we cannot emphasise enough the importance of your participation in this programme. Your involvement and support is key to helping your child thrive academically and seamlessly transition to secondary school. We will be focusing on key areas to support transition to Comprehensive School and we do feel this will be valuable to both you and your child.

#### What is Family Learning?

**Family Learning** encourages **family** members to **learn** together and understand how the curriculum has evolved. **Family learning** activities can also be specifically designed to enable parents to **learn** how to support their children's **learning**.

#### Why is Family Learning important?

Parental engagement in family learning has a large and positive impact on children's learning, giving children greater confidence and self-belief, with measurable benefits to their literacy, language and numeracy skills. As well as creating a positive relationship with the school and beginning part of the school community.

If you have any questions or require further information, please do not hesitate to contact us. We are here to support you and your child every step of the way. [cardl@hwbcymru.net](mailto:cardl@hwbcymru.net)

We look forward to embarking on this exciting learning journey with you and your child.

Warm regards,

Mrs L Card
