

Llangewydd Junior School – Communication Platforms

Provide the school with at least one mobile phone number for us to text out important messages.

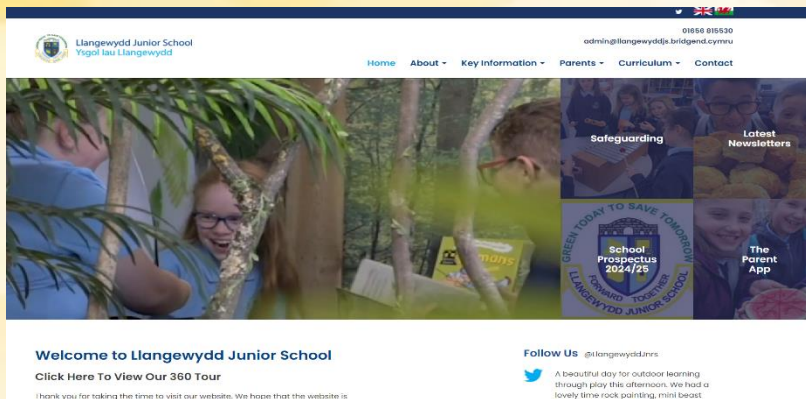

An email address can also be in the system to email important documents to you.

If permission has been given by parent/carer we will share photos of activities/celebration events - @LlangewyddJnrs

The Parent App is free to download. We put on here calendar dates and share letters. This mirrors our website.

<https://www.llangewydd.co.uk/home>

Our school website is the main platform where you will find all school information. All letters, newsletters, curriculum documents, forms etc can be found on here. It is live and is updated as soon as a document is shared. This mirrors The Parent App.
