29.04.2025

Dear Parents/Carers/Grandparents,

I am delighted to share some exciting news with you! We have been successful in securing a **Keep Wales Tidy Grant**, which will allow us to enhance our outdoor learning environment. This is a wonderful opportunity to develop a space that will not only benefit our pupils' learning but also support their physical and mental well-being.

With the grant, we plan to create areas such as planters for fruit and vegetable growth, relaxation zones, and spaces for outdoor play. These additions will greatly enrich the children's outdoor experiences and learning opportunities, allowing them to explore nature, nurture plants, and engage in healthy outdoor activities.

To bring this vision to life, we are seeking the support of parent/carer/grandparent volunteers to assist the Keep Wales Tidy Team in developing the project. **Our first visit with the team will take place on Wednesday, 7th May at 9:30am, and we would be truly grateful for any time you can offer to help us with this exciting initiative.**

If you are willing to lend a hand, please complete the Google Form to let us know your availability so we can inform the Team of how many volunteers they have to help -

<https://forms.gle/vBRR8tnwNdDAyeXD6>

Your support will make a real difference to the success of this project and, in turn, the learning environment for all our children.

Thank you in advance for your continued support, and we hope to see many of you there!

Mrs K Green

Headteacher
