## Headteacher Message

Dear Parents and Carers,

As we reach the end of another busy and exciting school year, I just wanted to take a moment to say a huge thank you for all your support, encouragement and involvement throughout the year. It's been a fantastic year full of wonderful moments, and we truly couldn't do it without our amazing school community.

We're incredibly proud of what we've achieved together this year. One of the highlights was our successful Estyn Inspection— a real testament to the hard work of our staff, pupils and the whole school community. We've also had a whole host of brilliant events: concerts, school trips, parent workshops, discos, and of course, Year 6's unforgettable LlanFest! It's been a joy to see the children learning, performing, exploring, and having fun together.

A heartfelt thank you to our dedicated staff who work tirelessly every day to give the children the best experiences possible, and to our school governors for their continued support and guidance behind the scenes.

As we head into the summer break, I hope you all enjoy some well-earned rest and relaxation. Please do stay safe and make the most of the time with your families.

Just a gentle reminder that staff emails won't be monitored over the holidays, so we'll be back in touch once the new term begins.

Wishing you all a restful and sunny summer!

Mrs K Green

## Keep Wales Tidy Outdoor Project – Summer Volunteers Needed

A big thank you to all the parents that have volunteered so far with our outdoor project. We really appreciate it!

Over the summer, there will be a few days where we'll be looking for volunteers to help with our Keep Wales Tidy Outdoor Project. Dates and details will be shared via Teacher2Parents, so please keep an eye out for messages.

This is a great chance for you to get involved and support the project – and while you're here, your children are welcome to use the playground. However, please note that school staff **won't** be available to supervise, so children will remain your responsibility during these sessions.

We really appreciate any help you can offer and look forward to seeing some of you over the summer!

## X - @Llangewyddjnrs

- As of September, all classes will post at least **one** X post per week to share the classes achievements. To support staff well-being there will be no more than three posts per week. This will also ensure we have consistency across the school.
