Year 4 Tiny Forest Discovery Workshops – Wednesday 15th October

Annwyl Rieni/Gwarchodwyr Blwyddyn Pedwar,
Dear Year 4 Parents/Carers,

As you know, last year the school took part in the 'Tiny Forest' project in collaboration with Valleys2Coast. The children planted saplings and contributed to setting up a lovely green space in the local community - just a few hundred yards away along Heol-y-Frenhines. If you have passed by here recently, you will have seen how the plants and trees within this green space are now flourishing and how the space is having an impact on the well-being of our local community.

On **Wednesday 15th October**, Year 4 have been invited by Valleys2Coast, in partnership with Earthwatch and members of a local horticultural society, to revisit the 'Tiny Forest' site where we will take part in workshops focusing on looking after and improving this lovely green space in the school vicinity. This should be a lovely opportunity for the children to contribute to developing and looking after the site. J4, J5 and J6 will each spend one hour at the site throughout the school day during lesson time. Lunchtime arrangements will be unaffected.

Many of you have already given your consent on the school Google Form for your children to leave the school site and to walk within the local community and so no further written consent is needed from you. This is a courtesy letter to simply let you know about the workshops. If you do **not** give your consent for your child to participate in the Tiny Forest Discovery Workshops, please contact your child's teacher by email.

We look forward to making a difference to our local community by taking part in the 'Tiny Forest Discovery Workshop'.

Yours sincerely,
Year 4 Teachers

Mr. D. Evans

Miss. N. Stoakes

Mrs. H. Pugh
