Parents Forum

What is a PFA?

The PFA is a volunteer group made up of school community members who support the school by helping to organise and run fundraising events. While the PFA itself doesn't handle money, the group plays a key role in thinking of fun, creative fundraising ideas and providing hands-on help—like setting up, manning stalls, and assisting on event days.

It's a great way to get involved, meet other families, and contribute to creating a vibrant and supportive school community.
