Bigfoot Theatre Company Visit Celebrating 100 years of Sir David Attenborough

19.04.2026

Dear Parents and Carers,

We are delighted to inform you that Bigfoot Theatre company will be working with Year 3, Sunshine and Rainbows on Thursday 7th May. This is an exciting opportunity which supports our summer term topics and is a perfect way to celebrate Sir David's 100th birthday which is Friday 8th May.

Each class will take part in a workshop which introduces pupils to Sir David Attenborough's life and work, exploring how one person's passion for nature helped change the way the world sees our planet.

Through role-play, drama activities and Mantle of the Expert techniques, the children will discover key facts about Attenborough's career, the groundbreaking wildlife documentaries he created, and how his work has inspired global conversations about climate change, endangered species and conservation.

The children will step into the roles of Sanctuary Workers and Conservationists, investigating the challenges facing wildlife today. Building on their understanding, they will collaborate to design and present their own campaign to protect an endangered species - developing persuasive speaking, teamwork and critical thinking skills along the way.

By the end of the session, we aim to not only understand the impact of Attenborough's work but also recognise the power of our children's voices in shaping a more sustainable future.

There will be a minimal cost of £3 for this experience. Payment will be taken through the online portal 'School Money',

Best wishes,

Year 3, Rainbows and Sunshine

Mrs L Evans, Mrs S Jones, Mrs N Phillips, Mrs T Davies,
Mrs Porter and Mrs Rothwell
