## School Closures due to extreme weather

23.06.2026

Dear Parents and Carers,

I am writing to inform you that, following careful consideration, the decision has been made to close the school, from tomorrow, due to the red weather warning for extreme heat that is currently in place for our area from Wednesday through to Thursday evening. To confirm school will be closed Wednesday and Thursday.

This has not been an easy decision to make. However, temperatures within classrooms are continuing to rise and are becoming increasingly uncomfortable for both pupils and staff. The health, safety, and wellbeing of our school community are always our highest priority, and unfortunately our building does not have sufficient cool spaces available for learners to use throughout the day.

At present, temperatures are forecast to be cooler on Friday. We will continue to monitor the situation closely and will keep you updated as the week progresses.

During the closure, learning will continue through our blended learning approach. Daily activities and tasks will be uploaded to Seesaw and Google Classroom for your child to access and complete at home.

If your child attends school via taxi, please ensure you make contact with the company to inform them.

We appreciate that this decision may cause inconvenience and that many families may need to make alternative childcare arrangements. We are grateful for your understanding and support as we make decisions that are in the best interests of our pupils and staff.

Thank you for your continued support and cooperation.

Kind regards,

Llangewydd Junior School, Llangewydd Road, Bridgend, South Wales UK CF31 4JT
